MORNING

11TH MARCH

MONDAY 9th MARCH 2026

Dear families,

Last week – even more than usual – our school was full of stories, imagination and creativity. From brilliant costumes and cosy reading outfits to story jars and reading buddy sessions, it was wonderful to see our children completely immersed in the joy of books.

This week we're sharing a snapshot of that joy. Please enjoy the photos that capture our celebration of stories, creativity and the magic that happens when children discover the pleasure of a really good book.

If you can, please do take the time to enjoy a story together at home – those quiet moments with a book are where a lifelong love of reading truly begins.

Kind regards,

Mrs Baker

## CELEBRATION ASSEMBLY

This week, Iris played 'Stand By Me' on her ukelele to welcome us into celebration assembly and Rosabelle, Lorelai, Thalia, Aurora, Zack, Marley, Iris, Isla, and Molly sang for us, because they were so keen to have a go after listening to friends last week. We also enjoyed hearing the choir sing 'Till Kingdom Come', one of the songs they are busy practising ahead of the Highbridge Festival.

We were proud to celebrate Finley, Sienna and Marley with their smiley face certificates, Alfie and Aurora for their Bronze certificates and Sadie for her Platinum certificate: all of these children have exemplified our school values.

In sporting news, we applauded Oskar and Charlie for being Player of the month in football, and Scarlett and Levison for being player of the week in rugby. Good luck and well-wishes to all of those families who are set to enjoy the Winscombe Rugby Club junior tour this weekend!

## WORLD BOOK DAY

### Leaf, by Sandra Diekmann

This year, we selected Leaf, by Sandra Diekmann as a whole school sharing book. Children across year groups were inspired by story, exploring its messages about kindness, belonging, and caring for others. Many tried their hand at illustrating, bringing the story to life through their own creative artwork.
