

Happy
Father's
Day

MONDAY 15th JUNE 2026

Dear families,

With the World Cup now underway, it is wonderful to see communities coming together in support of their teams. This weekend, you may have stayed up late to see Scotland take their moment on the world stage, and excitingly, England's turn is still to come. Sporting events like these remind us of the power of teamwork, perseverance, pride and belonging— all values that resonate strongly within our own school community.

With School Sports Week approaching at the end of term, we are very much looking forward to celebrating these same values together. With a swimming gala, a sports festival at Kings, tennis sessions, roller skating and our very own Sports Day, there are plenty of opportunities for everyone to get involved and something for everyone to enjoy. Over the coming weeks, we look forward to seeing our pupils embrace the chance to be active, healthy, have fun and, most importantly, enjoy sport together.

For now, we will be cheering England on this Wednesday!

Kind regards
Mrs Baker

A visit from Soap Soup!

Year 4 welcomed our very own local artist, Tomasin Cuthbert from SoapSoup Theatre Company, to lead an upcycling sculpture workshop.

During the session, the children explored a range of materials and used their creativity to design and create their own sculptures. There were such a variety of ideas, with each piece focussing on recycling to make something unique.

A big thank you to Tomasin for sharing her skills and experience and for supporting our curiosity.

Celebration assembly:

Last Friday, Iris blew us away with a performance of Demons, by the Imagine Dragons. Not only did she sing, but she played her ukulele alongside. It was a super way to start assembly and everyone enjoyed sharing her passion for music. Thank you Iris.

Assembly Theme: Care

This week, our assemblies will focus on our school value of Care. We will be thinking about the many ways we can show kindness to others and how even the smallest act of kindness can make a big difference to someone's day.

At home, you might like to talk with your child about simple ways they can show care for others. This could include helping a friend, including someone in a game, offering words of encouragement, or carrying out small acts of kindness without being asked. These everyday actions help to build positive relationships and strengthen our school community.

We encourage all our pupils to look for opportunities to show care and kindness, both in school and at home.

Colour mixing in Oak Class

From sculpture to colour mixing and brush work, children in year 2 have been enjoying finding out about the work the of Van Gogh and creating their own masterpieces.

CELEBRATION ASSEMBLY

WEEKLY CREW POINTS

155	147
122	159

School achievements:

Joseph, Arthur and Floss from reception for their smiley face award.

Holly and Parker-Rae from Walnut Class for their smiley face award

Roux and Astara for receiving their gold certificates.

Sporting achievements:

Evan shared his football trophy and Marley shared his level 5 swimming certificate.

We continue to feel proud and enjoy celebrating the wide range of clubs and activities our children enjoy out of school.

SCHOOL DINNERS FROM SEPTEMBER

Further to the email sent via MCAS, please ensure that you complete the allergen form .

JUNIOR PARKRUN

Robin from Kings Fitness visited us this morning to tell us all about Junior Parkrun. It was great to hear that so many children already take part on Sunday mornings. For families who may not be aware, our nearest Junior Parkrun takes place every Sunday in Cheddar at Kings Fitness and Leisure.

The event is a 2km run for children aged 4-14 years. Participants are encouraged to run, walk, skip, and most importantly, have fun while being active. Junior Parkrun is a brilliant way for children to enjoy exercise, build confidence, and be part of a supportive community.

For anyone who is interested in taking part, the link below shares further information.
