Friday 8TH November 2024

Dear Parents,

On Thursday 5th December, Year 4 will be visiting the Ashford Education Centre at Cannington. This will form part of our learning about rivers and the water cycle and will provide the children with some excellent field studies run by Wessex Water. The children will undertake a river study, have a tour of the Treatment Centre, learning how the water cycle is broken and water is taken from the reservoir and cleaned before arriving in our taps. In the afternoon, they will enjoy a range of science investigations and experiments.

The children will be picked up from school by coach at 9.15am and will return before the end of the school day. There is no charge by Wessex Water for the day but there will be a charge of £6.50 to cover the coach. You will need to provide consent and payment via parentpay.

Each child will need a healthy snack, a packed lunch and a full water bottle to last for the day. Wessex Water has requested no single use plastic if possible. The children do not need to wear school uniform but please ensure their clothes are warm, suitable for the weather and comfortable for a day of outdoor exploring and walking – leggings or joggers would be ideal. Please ensure they have a waterproof coat and wear wellies, bringing with them a pair of suitable shoes to change into for the return to school. If the children have waterproof trousers, it might also be wise to wear them. I would suggest they bring their lunch, snack, drink, spare shoes (in a plastic bag) and spare clothes all labelled in a backpack. This will ensure they can easily carry everything during the day.

If you would like the school to provide a packed lunch for your child, this will need to be ordered in advance via Aspens select.

Yours sincerely

Mrs Booth
Class teacher
