

Dear **pupils and parents**,

We are delighted to be supporting the NSPCC and to highlight **Children's Mental Health Week**, by taking part in Number Day on **Friday 7th February 2025**.

Everything the NSPCC does protects children today and prevents abuse tomorrow.

The NSPCC need our support more than ever. By raising money, we can help to fund their vital services such as Childline – the helpline that's always there for children and young people whatever their problem or concern.

On average, a child contacts Childline every **45 seconds**

Making maths meaningful

Number Day is a great way to make maths fun and bring about a positive, 'can-do' attitude towards it.

- We are taking on Buddy's Key Challenge in our classes to help raise vital funds for the NSPCC. We are working to solve exciting maths puzzles in our classes (Buddy is the *Speak out. Stay safe* mascot).
- We are having a fun day of maths activities, and we will be taking part in *Dress up for Digits*. Pupils are asked to wear an item of clothing with a number on it (football shirt, cap, netball shirt). Or get even more creative by dressing in a maths or numbers theme of your own design! To help raise money for the NSPCC, we are asking for donations, and we'd love everyone in the school to take part in this special event.

Safe fundraising

- We've set up a Just Giving page https://www.justgiving.com/page/winscombe-school-9?utm_medium=FR&utm_source=CL Please donate and share with friends so we can support the NSPCC.

It all adds up

We're really looking forward to all the fun of Number Day, and we really appreciate your support. All the money we raise at **Winscombe Primary School** will make an enormous difference to children today and help the NSPCC be there for children tomorrow.

Thank you.

Lorna Richardson

Executive Head
